

Sapienza University of Rome International Medical School

WHO

The people

- 45 UE and 13 extra EU students/year are admitted to the Medicine and Surgery International Course at Sapienza
- >50 countries of origin
- high ratio of faculty members & clinical tutors / students

Sapienza International Medical School - the class of Histology and the tutors 2022-23

WHO

The people

- The faculty
- The clinical tutors
- The visiting professors

WHERE

Sapienza is a highly ranked University, in the ♥ of Rome

Acad. Ranking World Universities, by **Shanghai Univ**: TOP 101-150 (1st in IT)

Word Reputation Ranking, by **Times Higher Education**: TOP 90 (1st in Italy)

Center for World University Rankings: 124 (1st in Italy)

In the heart of Rome, since 1303

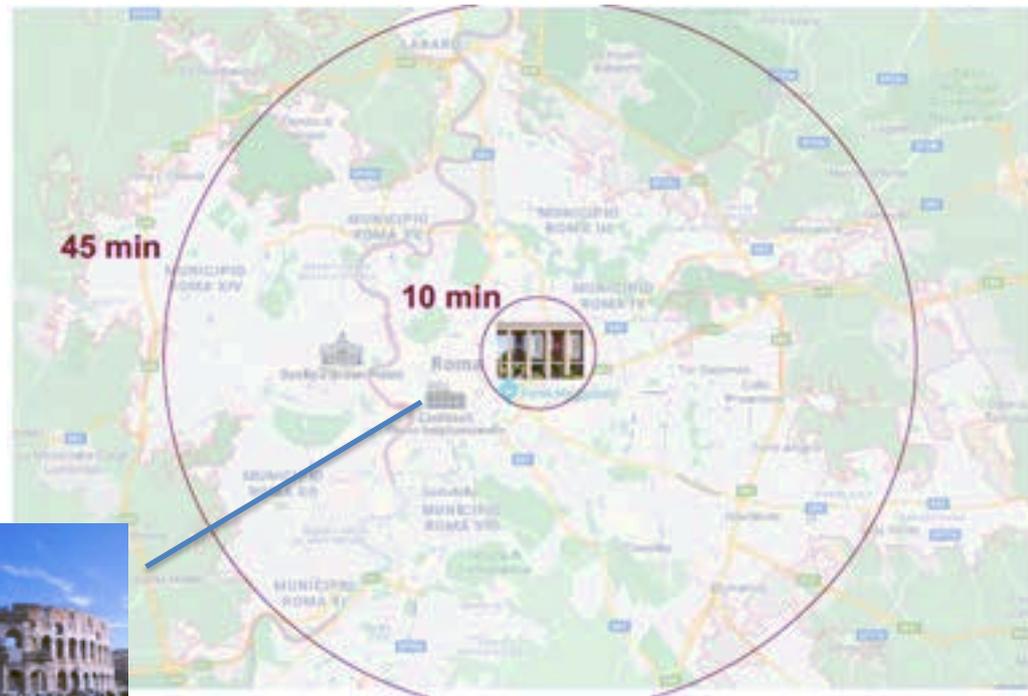

Distances to:

Major university hospital, 10'

National Institute of Health, 5'

CNR, Nat. Res. Center, 10'

The Colosseum, 20'

WHAT

An internationally recognized MD degree

Sapienza's degree in **Medicine and Surgery** is valid in the EU and in most extra-EU countries (eg the US), since the **World Federation for Medical Education**, through the ANVUR national agency, recognizes all Italian medical faculties.

Enhancing the Quality of
Medical Education Worldwide

Our premises at the World Federation for Medical Education (WFME) include promoting accreditation through the WFME Recognition Programme, elevating standards for medical education by publishing expert consensus on standards, and maintaining the World Directory of Medical Schools.

Internship

Exam	Course	Year	Semester	Credits
1	Chemistry and introduction to biochemistry	I	1 ^o	9
2	Medical physics	I	1 ^o	6
3	Biology and genetics (I-II)	I	1 ^o -2 ^o	13
4	Histology and embryology	I	2 ^o	8
5	Basic medical scientific methods (I-II)	I	1 ^o -2 ^o	12
6	Biochemistry (I-II)	I II	2 ^o 1 ^o	14
7	Human anatomy (I-II-III)	I II	1 ^o 1 ^o -2 ^o	19
8	Microbiology	II	2 ^o	7
9	Pre-Clinical scientific methods (I-II)	II	1 ^o -2 ^o	14
10	Human physiology (I-II-III)	II III	1 ^o -2 ^o 1 ^o	18
11	Immunology and immunopathology	III	1 ^o	8
12	Pathology and pathophysiology (I-II)	III	1 ^o -2 ^o	17
13	Laboratory medicine (I-II)	III	1 ^o -2 ^o	11
14	Clinical Scientific Methods (I-II)	III	1 ^o -2 ^o	20
15	Applied pathology I - Diseases of the respiratory system and cardiovascular system	IV	1 ^o	11
16	Applied pathology II - Diseases of kidney and urinary system	IV	1 ^o	5
17	Applied medical scientific methods (I-II)	IV	1 ^o -2 ^o	8
18	Pathological anatomy and associations with clinical anatomy (I-II)	IV	1 ^o -2 ^o	11

24	Pharmacology (I-II) and toxicology	IV V	2 ^o 1 ^o	7
25	Internal medicine and general surgery I - medical and surgical Oncology	V	2 ^o	6
26	Psychiatry and clinical psychology	V	2 ^o	4
27	Orthopaedics, Traumatology and Rheumatology	V	2 ^o	3
28	Dermatology and plastic surgery	V	2 ^o	3
29	Diseases of the sensory organs	V	2 ^o	8
30	Medical-scientific methods: public health (IX-X)	V VI	1 ^o 1 ^o	8
31	Internal medicine and general surgery II	VI	1 ^o	5
32	Paediatrics	VI	1 ^o	6
33	Obstetrics and Gynaecology	VI	1 ^o	5
34	Medical-scientific methods: forensic medicine, medicine and the law (XI)	VI	2 ^o	5
35	Internal medicine and general surgery III - medical and surgical therapy and geriatrics	VI	2 ^o	4
36	Emergency medicine and surgery	VI	2 ^o	10
TOTAL CREDITS FOR EXAMS				219
<i>CREDITS for the internship of the state examination</i>				<i>15</i>
<i>Electives (Attività Didattiche Elettive- ADE)</i>				<i>8</i>
<i>CREDITS for preparation of final thesis</i>				<i>18</i>
TOTAL				260

- Lectures
- Elective activities
- Training:
 - skill lab
 - ward
 - outpatient clinic

Skill lab & Ward

- Skill lab to learn and to exercise specific procedures
- One-to-one tutoring in different emergency settings (internal medicine, surgery, orthopedics, hematology, neurology...)

Soft skills and medical humanities

- Empathy and communication in the relationship between patient and doctor
- The doctor-patient relationship in emergency and critical settings
- Clinical cases

Soft skills and medical humanities

Use of a simulated Italian patient to improve both language and communication skills

Additional opportunities for our students

- **Italian language** courses (in-person and/or online) as well as additional social initiatives to help learn the Italian language and culture
- **Honor path:** interdisciplinary teaching activities and internships to involve students in research projects, under the guidance of tutors, clinical and/or laboratory professors
- **Fellowships:** opportunities for the best senior students to become tutors and/or cooperate in the management of the courses and lab activities
- **Erasmus+/CIVIS:** opportunities to go abroad for courses, internships or research

WHERE Beyond Sapienza

<https://civis.eu/en>

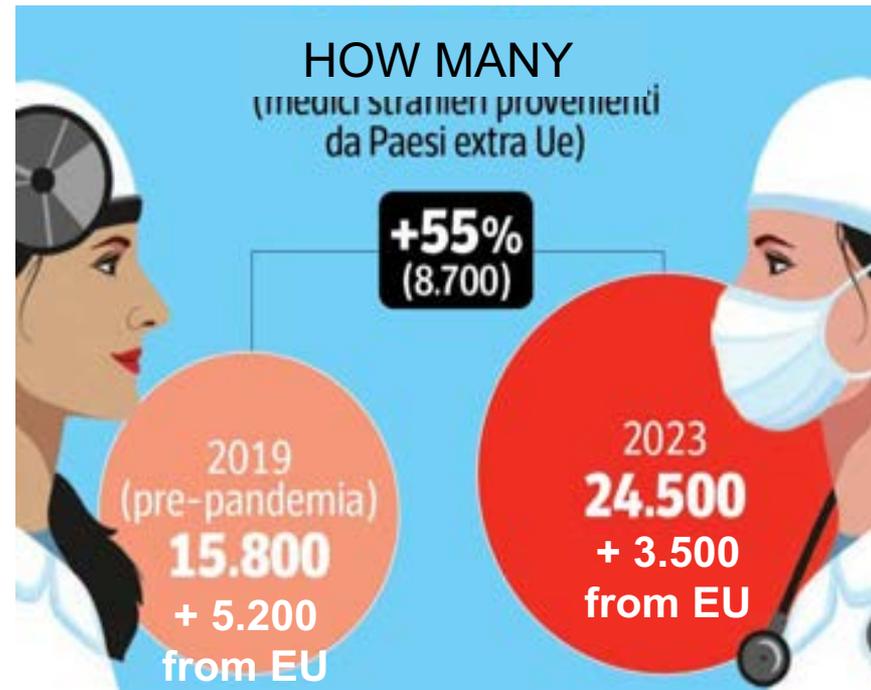

- Makerere University
- Eduardo Mondlane University
- Université Hassan II de Casablanca
- University of Sfax
- Université Cheikh Anta Diop de Dakar
- University of the Witwatersrand, Johannesburg

WHY

Becoming a MD in Rome, Italy

- International recognition of the degree
- Job opportunities in Italy (residency and Ph programs, medical practice)
- One of the oldest universities in the world
- Extremely high quality of living in Italy
- Rome vs Milan and other northern cities
